

Photo Week FAQ's

- Picture Day is an opportunity to have professional photos taken of your dancer in costume. Photos are an opportunity for the studio to capture your kiddos with their class(es) and on their own in an adorable and age appropriate pose!
- Except for the Parent and Tot class, parents are not allowed in the studio with their child during photos. *Please make your child aware of this.*
- Every child will get an individual photo taken in EACH costume/class the student is enrolled in.
- Sibling/family shots will be allowed and photographed. **No friend duet/trio shots will be taken.**
- Every class will get a group photo taken in costume
- Dancers should be in full costume, hair, and makeup for all photos.
- **New tights are required** for Photo Week so everyone looks polished and stage-ready. Each class should purchase tights through the **Nimbly shop** so all dancers match perfectly.
- Please do not bring a sick child to your session! There are makeup days built into the schedule.
- Do not skip photos if you or your child has blemishes, scratches or bruises. Those can be edited out! *Additional charges may apply.*
- **There is no upfront cost to have photos taken.**
- Group and Individual photos will be available for purchase through the studio *Got Photo* online studio. Once received, please place your dancers' QR code in a safe place as this is what you will use to access your photos once available.
- Photos will be available for viewing and purchasing 2-3 weeks after the session.
